TEC	Tertiary Education Commission

SCOPE

INTERNATIONAL STUDENT FEES

International students studying on campus do not generate any New Zealand Ministry of Education funding. Their fees must cover the whole cost of the course, and are not regulated by FCCM (Fee and Course Costs Maxima policy) or AFML (Annual Fee Movement Limit).

International fees have a Tuition Fee, Course Materials and Student Services Levy component only.

SETTING FEES

The process of setting fees is carried out annually and signed off by the following:

- Executive Director - Finance, Compliance and Business Intelligence
- Executive Director - Strategy, Enterprise and Sustainability
- Executive Director - Customer Experience and Excellence

See [Fees Review Cycle](#) (Forms, Templates and Guidelines).

APPLICATION FOR REFUNDS

Reasons for requesting a refund and eligibility for refund of enrolment fees are described in the [International Student Refund Eligibility Table](#).

All applications should be in writing to the Information and Enrolment Centre Manager, with any supporting documentation as stipulated by the Information and Enrolment Centre Manager.

Application for a refund in exceptional circumstances should be made in writing to the Manager.

INTERNATIONAL STUDENTS WHO OBTAIN PERMANENT RESIDENT STATUS

A student who gains permanent residency after enrolling and establishing a study contract with NMIT will not be eligible for a refund for that study contract. After permanent residency has been gained, the fees and charges applicable to domestic students will apply for any further study contracts.

PAYMENT OF REFUNDS

Refunds will be in NZ dollars minus any administration charges and bank fees by Direct credit (internet banking); and may be paid to:

- The agent who referred the student; or
- Another NZ education institution; or
- The student's bank account in New Zealand or offshore

An international student is entitled to a full refund of any fees that have been paid in excess of the total fees requested by NMIT on the offer of place. This refund will be granted provided the student holds a current visa and current Medical and Travel insurance for the period of study. The refund will be paid directly to a New Zealand bank account.

If the student nominates an overseas bank account, any bank charges will be deducted from the total amount to be refunded. For example, if the student has overpaid by NZD\$60.00 and the bank charge is NZD\$20.00, the student will receive NZD\$40.00.

NOTE: The minimum amount that will be paid to an overseas bank account, including bank charges, is NZD\$30.00.

FEE PROTECTION POLICY FOR INTERNATIONAL STUDENTS

1. All monies received from an International Student are banked and recorded against an individual in the Student Management System.
2. Monies for fees are applied on full enrolment.
3. Financial systems and internal controls are audited on an annual basis by Audit New Zealand and the ongoing financial viability of the Institute is also covered in the audit process.
4. NMIT is insured by a Business Interruption policy to cover such events as fire or flood, which would prevent delivery of our programmes. This policy provides for the running of our programmes at an alternative site, or meeting contractual obligations to refund students where NMIT is unable to deliver as a result of this event.
5. In adopting the above measures, the Management of NMIT believes that adequate financial controls are in place to protect the fees of International Students.

MEDICAL AND TRAVEL INSURANCE

The New Zealand Ministry of Education, through the Code of Practice for the Pastoral Care of International Students, requires that all International Students must have appropriate medical and travel insurance for the duration of their planned study in New Zealand. For more information please visit www.minedu.govt.nz.

NMIT will automatically arrange insurance coverage for all students.

Students can choose their own insurance company. However, it must comply with the minimum standards required by the Code of Practice for the Pastoral Care of International students. If students arrange their own insurance cover, they must supply their Certificate of Insurance and Schedule of Cover, **in English**, to the Information and Enrolment Centre. Once the insurance policy is evaluated and confirmed as meeting the minimum standards required by the Code of Practice for Pastoral Care, the policy taken out by NMIT on behalf of the student will be cancelled and the fees refunded to the student (if insurance fees have been paid).

Please be aware that if students do not provide a satisfactory insurance policy, they will be required to take out a default policy prior to commencing the study programme.

NMIT has arrangements with Marsh Ltd (in association with Allianz) a New Zealand-based provider who has specific policies for International Students. The policy is called Studentsafe Inbound Learners.

More information about Studentsafe can be found by following this link on the NMIT website at <http://www.nmit.ac.nz/your-nmit/international/helpfuladvice/#insurance>. Please refer to the *Notification of Fees* for the cost of this policy. Once we receive payment of the insurance fee, your insurance will be arranged. The commencement date of your policy will be set to the date you depart for New Zealand.
